

**October 7, 2021**

**To all Seneca View Residents and Families:**

We are contacting you today with a brief update to let you know that we have had a direct care staff person test positive for the virus. This person has been removed from the schedule for the required quarantine period. We continue to remain COVID-19 free among our resident population, and we continue to welcome staff back from quarantine. Our current number of staff off for quarantine is five.

Restrictions on general visitation remain in place currently. Compassionate care and end-of-life visitation will not be interrupted although additional infection prevention measures may be required of visitors. Please continue to contact your respective nursing units for the scheduling of those visits. If you have concerns regarding resident visits please contact the Nursing units, our Nursing Administration, or my office.

Please also continue to monitor our **SCHUYLERHOSPITAL.ORG** website, and please feel free to contact us if you have any questions. You can also reach our State Ombudsman, Trish Chevallard, at (607) 274-5492, if you need.

Warmest Regards,

A handwritten signature in black ink, appearing to read "Patrick J. Ryan", written in a cursive style.
