

**September 16, 2021**

**To all Seneca View Residents and Families:**

In follow up to our communication yesterday, this brief email is being sent to provide you a quick update on our COVID-19 status. We received notification this morning that a member of our hospital staff has tested positive. This individual was in the nursing home on a very limited basis during the contact tracing lookback period prior to testing positive. As a result, we need to recognize this potential exposure event and reset our 14 day quarantine clock.

All precautions will remain in place with twice weekly testing and restricted general visitation. Compassionate care and end-of-life visitation will not be interrupted although additional infection prevention measures may be required of visitors. Please continue to contact your respective nursing units for the scheduling of those visits.

Please continue to monitor our **SCHUYLERHOSPITAL.ORG** website, and please feel free to contact us if you have any questions. You can also reach our State Ombudsman, Trish Chevallard, at (607)274-5492, if you need.

Warmest Regards,

Warmest Regards,

A handwritten signature in black ink, appearing to read "P. Ryan", with a long horizontal flourish extending to the right.

**Patrick J. Ryan**  
**Executive Director LTC Services**
